Hall County Fire Services

2015 Annual Report

Celebrating 45
Years of Excellence

Est. December 14, 1970
Together We Will Make A Difference

Civilian Support Staffing
1 Administrative Office Manager
1 EMS Revenue Supervisor
3 Accounts Receivable Clerks
4 Senior Secretaries
Serving Citizens

We will always highly value the citizens we serve as the object of our continual focus on service. We will support the advancement of professionalism to our citizens and within the organization by our conduct, speech, demeanor and decision making.

Enhancing Community

We will pursue innovative and creative means of advancing the organization forward to meet the expectations of growth and economic development opportunities in our future.

Responsible Stewardship

We will exhibit the highest level of stewardship to the citizens we serve, recognizing we are ultimately accountable to the public for our actions and duties.

Valuing Transparency

We will maintain openness and transparency as a basic tenet of our organizational structure. We will adhere to the highest ethical standards in the execution of our duties and responsibilities.

Efficient Cooperation

We will respect each member of staff as a necessary and vital member of the organization, recognizing the importance of the unique gifts, abilities, experiences and talents which are integral to the organization reaching its maximum potential; in order to best serve the citizens of Hall County.
I am proud to present the 2015 Hall County Fire Services Annual Report. As we celebrate our 45th year as a fire department, we welcome you to review our organizations activities. A predominant task is our department’s determination to improve (in addition to responding to over 25,000 calls for service). We take our role as stewards of the public trust seriously, a role we have served since 1971.

We accomplished a large majority of the short term goals (FY ‘15&’16) set forth in our Five Year Strategic Plan. This task continually requires an “all-hands” effort. The accomplishments of Hall County Fire Services are only possible through the ongoing dedication of each member and their commitment to our community. Some of the major accomplishments in 2015 are:

- Delivery of two new ambulances
- Delivery of a new aerial apparatus truck
- Delivery and implementation of LUCAS CPR devices
- Delivery of new 23 foot marine rescue boat
- Delivery and implementation of Stryker Lift and Stair Stretchers
- Delivery and implementation of cardiac heart monitors
- Cost savings command fleet vehicles
- Delivery and implementation of two quick response vehicles
- Delivery and implementation of new pumper unit
- Expanded operations to three battalions
- Implemented an EMS tiered response system
- Committed three operational members as fire inspectors; one for each shift
- Added eleven part-time paramedics
- Graduated two recruit classes adding 55 new firefighters

None of these would be possible without the efficient cooperation of the Board of Commissioners, County Administrator, Assistant County Administrator and Department Heads. We consider it an honor and a privilege to serve the citizens and visitors of Hall County, and as the Chief of Hall County Fire Services, I thank you for your trust and support.

Sincerely,

Jeff K. Hood
Hall County Fire Chief

EXCELLENCE

“Excellence is what sets organizations apart. Hall County Fire Services strives to provide first class emergency services to the citizens and visitor of Hall County. It is humbling to see our people meet and exceed expectations during the past year. It does not surprise me. However, it inspires me to see servant-hearted professionals focused on the mission at hand. I am very thankful for and appreciative of this performance.”

Together We Will Make A Difference
Jeff Hood, Fire Chief, is responsible for overseeing all aspects of Hall County Fire Services. He joined Hall County Fire Services as the Deputy Fire Chief in 2014 and was appointed Fire Chief in January 2015. Hood worked his way through the ranks at Clayton County Fire Department, eventually serving as Fire Chief and EMA Director and retired in 2013 after 34 years. He is a State Certified Firefighter, Paramedic and Georgia Certified Emergency Manager. He is a member of the International Association of Fire Chiefs; Georgia Association of Fire Chiefs; Georgia Association of Emergency Medical Services; and Emergency Managers Association of Georgia. He has served in many capacities throughout his career including Department of Public Health Regional EMS Council; State Homeland Security Task Force; and Association County Commissioners of Georgia Public Safety & Courts Committee. Hood is a recipient of several Valor Awards including one from the Governor of the State of Georgia, Paramedic of the Year Award, Heroism Medial from Firehouse magazine, State of Georgia EMS Director of the year, State EMS Awards, State Firefighter Award, Firefighter Combat Challenge world Champion Awards (2006, 2007, 2008, 2010, & 2011) and currently serves as Chairman of the Hall County Public Safety Executive Committee.

Chad Black, Deputy Fire Chief, is responsible for assisting Fire Chief Jeff Hood in the daily operations of Hall County Fire Services. He began his career with Hall County in 1985 and worked his way through the ranks of FF/EMT/Paramedic, Lieutenant, Captain, Battalion Chief and now serves as the Deputy Fire Chief. In his 30 years of service he has obtained certifications to instruct in the following: Advanced Cardiac Life Support, Basic Life Support, International Trauma Life Support, Pediatric Advanced Life Support and Paramedic Preceptor. He has also worked as a Critical Care Flight Paramedic. He is a member of Georgia Association of EMS, Interactive Neighborhood for Kinds (INK), John Jarrard Foundation and the Hall County Rotary Club. Black holds professional affiliations with Region II EMS Regional Trauma Advisory Committee (Chairman), Region II EMS Representative to the Georgia Trauma Commission EMS Sub-Committee, Georgia Fire Chief’s Association, Georgia Firefighters Association, Region II EMS STEMI Committee, and Georgia Association of EMS.

Rod Wilson, Assistant Chief of Operations, is responsible for Field Operations, the largest division in the department. He began his 22 year career with Hall County in 1993 and worked his way through the ranks of FF/EMT, Engineer, Operations Lieutenant, Training Lieutenant, Battalion Captain, and now serves as the Assistant Chief of Operations. Born and raised in Commerce, he is a 1991 graduate of Commerce High School, and received his EMT Certification from North Georgia Technical College in 1995 and his Fire Science degree from Lanier Technical College in 2012. He obtained his International Association of Arson Investigators Fire Certification in 2014. He developed the departmental Basic Apparatus Operators Course, assisted teaching and developing the inaugural Firefighters Safety and Survival Program and was lead instructor for several recruit schools. Wilson implemented the scene size-up procedures, crew resource management area, NFPA compliant station wear, turnout gear design and the monthly company officers report. He is a member of the Georgia Association of Fire Chiefs, Georgia State Firefighters Association, Georgia Fire Investigators Association and the International Associates of Arson Investigators.

Jerry Smith, Assistant Chief of Administration, is responsible for the Business Services and Planning & Preparedness divisions, is the revenue custodian and manages the departmental budget. He began his 23 year career with Hall County in 1992 and worked his way through the ranks of FF/EMT/Paramedic, Quartermaster, Professional Standards Officer, Division Chief of Administration, Battalion Chief of Business Services and now serves as the Assistant Chief of Administration. Smith holds a B.A. and M.A. degree in psychology from West Georgia College.

- **Sixth** largest Fire Department in the State of Georgia
- Serves an area of **429 square miles**
- Serves a population of over **191,000**—[2014 Projection Report]
- Provides protection and marine rescue to the most heavily used Corp of Engineers recreational lake in the country; attracting **7 to 10 million** visitors annually. (Lake Sidney Lanier, 600 miles of shoreline and **38,000 acres of water**)
- Has an **ISO** rating Class **3/9/10**
- **371** Budgeted positions
- Provides Emergency Medical Services (EMS) with Basic Life Support and Advanced Life Support units in a tiered EMS system to the entire county — **24 hours a day.**

Core Values

**HONOR**  
to serve our community

**COURAGE**  
in the face of all adversity

**COMMITMENT**  
at any cost

**INTEGRITY**  
to maintain trust

Together We Will Make A Difference
Together We Will Make A Difference
Field Operations

Field Operations reports to the Assistant Chief of Operations, who is responsible for the largest division of the department. The operations division commands and provides emergency services for over 25,000 calls for assistance annually.

* A third battalion was added in 2015.

In addition to emergency responses, operations personnel are tasked with inspecting and maintaining over 5,000 fire hydrants, pre-fire planning over 4,000 commercial properties, and completing prescribed continuing education courses.

Together We Will Make A Difference
Training & Professional Development

Training & Professional Development reports to the Assistant Chief of Operations. They are responsible for providing instruction in modern firefighting practices, emergency medical procedures, and maintaining a proficient level of expertise to all department members.

Training & Professional Development Staffing
1 Training & Professional Development Chief
3 Training Instructors

Our officers take great pride in training new employees. The typical new employee training program lasts for approximately six months.

Together We Will Make A Difference
Planning & Preparedness reports to the Assistant Chief of Administration. Planning & Preparedness is responsible for the Fire Marshal’s Office and fire records requests. The Hall County Fire Marshal’s Office oversees fire/life safety education, inspections, and investigations for Hall County and all municipalities not including the City of Gainesville. *Three operational members as fire inspectors/investigators; one per shift.

Planning & Preparedness documented:
1,630 Inspections
186 Investigations
297 Community Risk Reduction Programs
177 Plans Reviews
356 Smoke & CO Alarm Installations

Planning & Preparedness Staffing
1 Planning & Preparedness Chief/Fire Marshal
4 Inspectors/Investigators
3 Operational Inspectors/Investigators*

Swearing in New Inspectors/Investigators
Installing Smoke Alarms
Investigations
Community Risk Reduction
Fire/Life Safety Education
**Business Services**

Business Services reports to the Assistant Chief of Administration. It is responsible for EMS administration, procurement, and emergency vehicle fleet maintenance. This office oversees ambulance billing and record requests.

The Hall County Board of Commissioners voted to approve the purchase of a new marine rescue boat for Hall County Fire Services. The 23-foot vessel allows our first responders better clearance for lifesaving efforts. It also is expected to have a significantly longer life span and will cost less to maintain.

**Business Services Staffing**
- 1 Business Services Chief
- 1 EMS Coordinator
- 1 Compliance Officer
- 1 Quartermaster
- 1 Maintenance Project Specialist
- 1 Part-time Maintenance Clerk
- 2 Supply Clerks
- 2 Part-time Supply Clerks

Together We Will Make A Difference

Together We Will Make A Difference
Awards Ceremony
In March, Hall County Fire Services recognized members of our department who either saved a life or performed above and beyond the call of duty. Awards included a Valor Award, Medical Life Saving Award, and Firefighter of the Year Award to name a few.

Camp Lifesavers
Sponsored by Hall County Fire Services, this is a one-day safety camp for elementary age boys and girls. A variety of safety components are covered in a fun and entertaining way. The camp is offered to children at no cost to their families, and is staffed with volunteers from the department.

Scott’s Firefighter Combat Challenge
Hall County Fire Services hosted firefighters from across the country as they competed in the Scott’s Firefighter Combat Challenge event. During the event, Hall County had a National Qualifying Team, a third place finish in the team event and Sergeant Seth Satterfield was awarded the Greenhorn award for being the new, fastest individual competitor.

“Give Burns the Boot” Fundraiser
Hall County Fire Services raised more money than any other fire department in the state during the annual “Give Burns the Boot” fundraiser, benefitting the Georgia Firefighters Burn Foundation. Hall County raised $61,539.60 during the annual campaign, which has been in existence since 1990 and involves more than 100 Georgia fire departments.

Community Risk Reduction Program
Hall County Fire Services is honored to go beyond the call of duty to serve the residents and visitors of Hall County. In 2015, HCFS personnel documented 297 Community Risk Reduction events; to include, a school supply drive, coat drive, smoke alarm installations, and minor home repairs.

Together We Will Make A Difference
Organizational Highlights (Continued)

Hall County Explorers
Hall County Fire Services Explorer Post 299 was chartered in September 2005 and has grown into an active membership, some whom has been hired as Hall County Fire employees. For young men and women, Exploring offers experiential learning with lots of fun-filled, hands-on activities that promote growth and development.

Safe Kids Gainesville/Hall County
Safe Kids Gainesville/Hall County is led by Northeast Georgia Medical Center and Health System, Inc. provides dedicated and caring staff, operation support and other resources to assist in achieving our common goal: keeping your kids safe. Numerous events this year were made possible with the help of Safe Kids: such as smoke alarm installations and a bicycle helmet give away.

CPR Training
In November, Hall County Fire Services started offering a monthly CPR Training course absolutely FREE to the public. The class is designed to teach the public how to administer CPR and utilize and AED for a person experiencing cardiac arrest.

Hall County Firefighters Relief Fund
The Hall County Fire Relief Fund was incorporated on January 1, 2002, by a group of Hall County firefighters and officers who saw a need to form a fund that would assist fellow fire service personnel during times of need. The organization is non-profit and funded through individual membership of Hall County Fire Services personnel.

Holiday Hustle 5K
The 4th annual Holiday Hustle 5K was held on December 12, 2015. The race benefits the Georgia Firefighters Burn Foundation and local burn survivors. In conjunction to aiding burn survivors, the race is also used to bring awareness to health, wellness and fire safety to the citizens of Hall County.
Recruit Class Family Night
The Hall County Fire Services Training Division hosted Family Night for the recruit class #40 and #41. At this event, a firefighter recruit’s family is invited to a live training fire demonstration and cook out. This is a great opportunity for families to get a look at a sample of the training that a new employee goes through.

GA EMS-C Symposium
The Georgia Emergency Medical Services for Children Symposium was held at Northeast Georgia Medical Center in Gainesville. The symposium is designed to provide insight into current trends and management of Georgia’s pre-hospital pediatric patients. Hall County Fire Services is intimately involved in the organization, planning, and delivery of this conference.

GA Firefighter Association Annual Conference
Hall County Fire Services attended the Georgia Firefighters Association Annual Conference this year from September 16-19, held at Jekyll Island, GA. Our competition team of firefighters made the trip and competed against other fire departments from across the state. Hall County Fire Services placed third in the Serpentine Barrel Roll.

Interactive Neighborhood for Kids (INK)
Hall County Fire Services personnel from multiple stations participated in the Emergency Preparedness and Disaster Fair at the Interactive Neighborhood for Kids (INK) museum. The Hall County Fire Services vehicles that were featured included a fire truck, marine rescue boat, hazardous materials truck, rescue truck and an ambulance. Members of Hall County Fire Services provided tours of the vehicles, blood pressure checks, and education to the public about fire prevention and fire safety.

2nd Annual Homeland Security Summit
Hall County Fire Services hosted its 2nd Annual Homeland Security Summit. Speakers at the event provide the latest updates from State and Federal Agencies on issues relating from terrorism, weather, crimes against the elderly and children, as well as many others so our First Responders remain ready to respond.

Together We Will Make A Difference
45th Anniversary
On December 14, 2015, Hall County Fire Services celebrated its 45th Anniversary. In 1970, the department opened with 3 fire stations and 17 employees. Today, Hall County Fire Services has 16 fire stations, 371 employees and will continue to grow to meet the needs of Hall County’s future.

Challenge Coins
Hall County Fire Services produced Challenge Coins to pay homage to our history, recognize our presence, and to thank each recipient for their continued service to our organization. There is a tremendous amount of history involved with challenge coins dating back prior to World War I. These coins identify the bearer as a member of a particular unit with a well-defined history and mission. These challenge coins are not merely a token. Please carry your coin with pride. You are a part of our success and as the coin reads “Together We Will Make a Difference”.

EXTERNAL RECOGNITION
Two members of Hall County Fire Services were recognized during the American Red Cross Northeast Georgia Chapter’s Heroes Breakfast this year. Hall County Firefighter Colton Stroud was recognized with the Emergency Response Hero Award for his lifesaving efforts during a jet-ski accident while off duty. Meanwhile, Hall County Fire Lieutenant Chuck Jarrard was presented with the Community Hero Award for his quick response to a training incident last year.

Battalion Chief Al Lovingood was recognized for his commitment to safety initiatives and protocols, which build community trust at the First Annual Masters of Safety Awards Ceremony & Forum at Featherbone Communiversity.
