

# HALL COUNTY FIRE SERVICES

PO Box 907730 Gainesville, Ga. 30501

*...from the Islands to the Highlands...*

---

The Hall County Fire Marshal's Office coordinates and ensures compliance with fire codes. In addition to building plan reviews and permits, Fire Inspectors work with business owners to interpret and conduct code compliance inspections. This office also enforces compliance with State and County burning regulations, blasting permits, fireworks displays as well as work to maintain minimum fire prevention standards in all public occupancies.

## **Current Codes being used by the Hall County Fire Marshal's Office**

- International Fire Code - 2006 edition w/ GA Amendments
- International Building Code - 2006 edition w/ GA Amendments
- Life Safety Code NFPA 101 - 2000 edition w/ GA Amendments
- Georgia Accessibility Code
- All appropriate NFPA codes and standards

## **Types of Inspections for new construction:**

- 50% or Mid-Construction walk through
- 80% Inspection (fire wall or demising wall)
- 100% Inspection – Please refer to the Final Fire Inspection for Certificate of Occupancy

**Please call at least 24 hours in advance to request inspections.**

**Inspection Fees:**

Fees apply to municipalities of Hall County, Buford, Braselton, Clermont, Flowery Branch, Lula, Oakwood, and Rest Haven. Others may apply.

Fees are as follows

- 100% or Final Fire Inspections-free
- For the first follow-up inspection no fee shall be charged.
- For the second inspection follow-up there will be a \$25 charge.
- For the third inspection follow-up there will be a \$50 charge.
- For the fourth inspection follow-up and all subsequent inspections there will be a \$100 charge
