

**POLLUTION CONTROL EQUIPMENT EXEMPT FORM**

Name of Applicant: \_\_\_\_\_

The Board of Assessors is required to exempt from ad valorem taxation all equipment that is installed for the primary purpose of eliminating or reducing air or water pollution if said equipment has been certified by the Department of Natural Resources as necessary and adequate for the purposes intended.

This exemption is contingent upon the Board of Assessors receiving your timely request and reviewing your request as well as looking at all circumstances that are applicable.

Required Verification Information

- (1) Copy of exemption request, equipment listing and cost estimate submitted to Georgia Department of Natural Resources and Letter of Certification from Georgia Department of Natural Resources certifying equipment as necessary and adequate for purposes intended. You should also submit a written explanation of how said equipment will be used in facility.
- (2) Copy of Application for Certificate of Exemption Form ST-M7 with attached schedules and Certification of Exemption Form ST-M8 as filed with State of Georgia, Department of Revenue, Sales and Use Tax Division if a sales and use tax exemption was requested.

**I certify the information supplied is correct to the best of my knowledge and is subject to review by the Hall County Tax Assessors if they so desire.**
