

HCSO's Christmas Bicycle Program is Officially Underway!

November 21, 2013

To convey the giving spirit of our dedicated public servants, we have initiated the collection for our Christmas Bicycle Program under care of our Courthouse Division. The newly appointed Community Service Officer and Public Information Officer were on hand, this week, to receive the program's first gift... A brand new bicycle, donated by the 2013 Hall County Sheriff's Office Citizens' Academy!

Sheriff Gerald Couch, along with all of your friends at the Hall County Sheriff's Office, would like to challenge our partners within the community to join us by contributing to the Christmas Bicycle Program. Again, we have teamed with the caring crew at Walmart of Gainesville to provide bikes to the less fortunate children in our community who may otherwise "go without" this Christmas. Each one of the bicycles in our program will be accompanied by a helmet for safety, as well as another small gift.

To make a monetary donation and get further information on the Christmas Bicycle Program, please contact Captain Chris Matthews of Hall County Sheriff's Office Courthouse Division at (770)531-7095. Thank you for your consideration. We wish you, and your family, a very happy Holiday Season!
