CRIME PREVENTION UNIT

NEIGHBORHOOD WATCH BULLETIN

DATE: May 27, 2010
SUBJECT: **BOLO-** **B**e **O**n the **L**ook **O**ut

The Hall County Sheriff's Office Crime Suppression Unit is seeking information on a suspicious vehicle that is possibly related to property crimes in the **North Hall / Lula / Gillsville** area.

Be on the lookout for the following vehicle:

Older model (late '80's – 90's) Ford Aerostar minivan
Blue in color
Distinguishing characteristic: loud exhaust

(example photo only - not the actual vehicle)

It may be occupied by a white female in her late teens - twenties and two white males of similar age.

They have been reported as going to homes and operating in a fashion similar to that of what we saw in the past with people soliciting business for Kirby floor cleaning products, i.e. the female goes to the door with an air freshener or similar item to present as a free gift if she and her companions are permitted to come in to demonstrate their wares. However, this may be used as a diversion for the others to look in garages, cars, sheds, or other areas in and around the home for items to steal, or to scout unoccupied homes for burglaries.

We don't know yet if these individuals are associated with Kirby or any other company, but our Officers are interested in identifying and interviewing them.

If you spot this vehicle, please contact Hall County dispatch at 770-536-8812 or 9-1-1. Ask that your information be passed along to Sgt Shane Presgraves, or to the patrol shift if Sgt Presgraves is not available.

If you have any questions or concerns, please contact:
