Inspector:	Date Inspected:
<p style="font-size: small;">This is not a permit. A preliminary site inspection is performed on the basis of information provided by the applicant, the current site conditions, and on current regulations and policies. If the information, site conditions, regulations, and/or policies, etc. change after the date inspected, these recommendations/comments will be invalidated. The comments provided are not considered an approval or guarantee of permit issuance.</p>	
<b>Recommendations:</b>	
Each additional review of plans beyond this initial request requires a plan review re-submission fee of \$100.00 or a permit application.
