### **A Resolution for Election Integrity**

**WHEREAS** the November 2020 Presidential Election was the closest in Georgia history with all counties reporting timely except Fulton County, and

**WHEREAS** for nearly a decade Fulton County has persistently delayed reporting and certifying election results until days after every other county in Georgia, and

**WHEREAS** Fulton County has had a higher rate of election complaints, questionable practices, and elections fraud investigations than all other Georgia counties combined for more than a decade, and

**WHEREAS** Fulton County again in 2020 placed the state of Georgia and the outcome of the Presidential Election results in a bad light nationally as a result of continued questionable practices and repeated late election reporting, and

**WHEREAS** the voters in all counties in Georgia deserve to know that no one county's late election reporting is not manipulated or questionably influenced to overturn the outcome of another county's election results, and

**WHEREAS** to ensure that all other county election results will not be overturned by the incompetence and consistently questionable election reporting of Fulton County,

**NOW THEREFORE BE IT RESOLVED** that the Ninth District Republican Party of Georgia calls on all Ninth District Republican Party County Chairs, all Republican County Commissioners in the Ninth District, all Election Superintendents, and all Republican-appointed Board of Elections Members to withhold certifying their county election results in the January 5, 2021 Runoff Election for United States Senate and Public Service Commission until after Fulton County certifies its election results.

**FINALLY BE IT RESOLVED**, That the Chairman of the Ninth District is hereby directed to immediately transmit an appropriate copy of this resolution to all elected Republican Party Chairman in the Ninth District for distribution to their respective Republican County Commissioners in the Ninth District, all Election Superintendents, and all Republican-appointed Board of Elections Members.

**ADOPTED BY THE NINTH DISTRICT COMMITTEE ON DECEMBER 29, 2020.**
