Sample for ¾ inch: \$8,400.00 (Sewer Connection Fee)
 \$ 252.00 (3% Admin. Fee)
\$ 800.00 (Tapping Fee)
 \$9,452.00 (Total)

*Commercial customers who choose to install a sewer flow meter for water meters 2 inch and larger will be provided a connection fee associated with their projected sewer flows instead of their possible large volume water flows. The County will monitor these flows annually and if flows increase over the projected volumes, the customer will need to pay applicable connection fees.

**Residential subdivisions that permit sewer through Hall County that have 100 lots or more, may receive a twenty percent (20%) discount of connection and administrative fees if they pay for the entire subdivision connections up front and abide by the Hall County Agreement for Reservation of Sewerage Service.

➤ **Construction Inspections of Sewerage and Reuse Systems**

\$2.00 per linear foot of sewer or reuse pipe to inspect with a minimum of \$50.00 to cover the cost of construction inspections of a Sewerage System or Reuse System performed by the Hall County Public Works and Utilities Department.
